

**THE 10TH ANNUAL
MISSOULA
MONSTER
PROJECT**

THE 10TH ANNUAL MISSOULA MONSTER PROJECT

To all our wonderful community partners,

This fall, the Zootown Arts Community Center (ZACC) will celebrate the 10th Annual Missoula Monster Project. That's right! 10 years of monster magic that begins in kindergarten classrooms. **This year, the Monster Project will have more impact than ever because we are raising funds to support arts education in ZACC classrooms AND Missoula County Public Schools!** The donated monsters created by adult artists will be sold and *the proceeds will be split evenly with the MCPS Fine Arts department to help ensure that ALL Missoula children have access to quality arts education.*

The 2024 Missoula Monster Project celebrates creativity and expands access to arts education, with a collaboration between Missoula kindergarten students and adult artists. Kindergartners drew monsters from their incredible imaginations and then adult artists recreated the monsters in their own medium/style. The monster art exhibit kicks off with an October First Friday celebration with friends, families, teachers and artists of all ages- a party complete with live music and monster cake!

Last year, 189 kindergartners made monsters for the project and 189 adult artists recreated the adorable monsters that roller skated, ate cookies and made their merry way across ZACC gallery walls. We hope you'll take this opportunity to support our mission and sponsor the 2024 Missoula Monster Project by September 15.

Thank you for considering this chance to show your support for arts education in Missoula County. Please feel free to contact me with questions or to pledge your support as a sponsor for the 2024 Missoula Monster Project.

Thanks for all you do to make Missoula an even better place to live,

Jen Ryan Hicke
